

Alabaster Orb Pendant Light

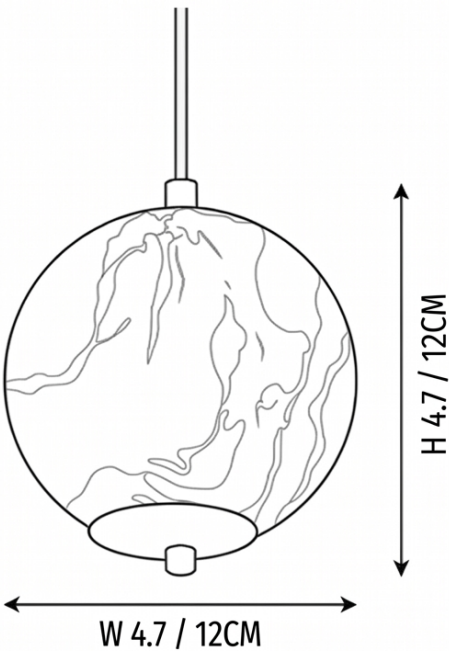

Alabaster Orb Pendant Light

Description

This stacked alabaster sphere pendant stacks natural alabaster stone spheres along a slim stainless steel internal framework, with brushed brass plated accent caps marking each joint and a white canopy box at the ceiling. Natural veining and translucency make each piece unique. Scales from single to a taller 4-head drop. Integral LED.

Drawing

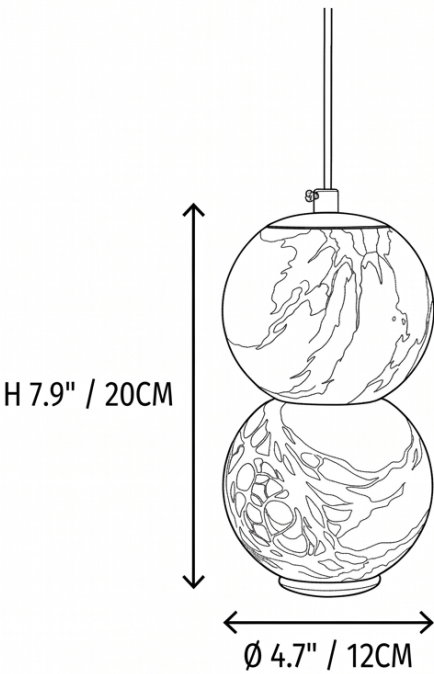

Type	Pendant Light (Stacked Spheres) Bedroom / Kitchen Island / Stairwell
Environment	Indoor Ceiling Mount (Hardwired)
Dimensions [cm/in]	Single head sphere: D12cm / Ø4.7", Height: 12cm / 4.7". Stacked overall drop height scales by configuration. Custom sizes on request.
Light source	Standard: Integrated LED Array (Built-in / User-replaceable components). AC 110-240V.
Power	16W Max total line wattage.
Finishes	White (Canopy Box). Brushed Brass Plated (Accent Caps). Available for selection.
Construction material	Natural Alabaster Stone, Stainless Steel Natural Alabaster Spheres, SS Framework.
Control Method	Controlled by simple push-button switch; not dimmable. Fixed brightnesslevel Controlled by a simple push-button switch; not dimmable.
Voltage	AC 110-240V Universal compatibility.
