

Round Rivage Alabaster Ceiling Lamp

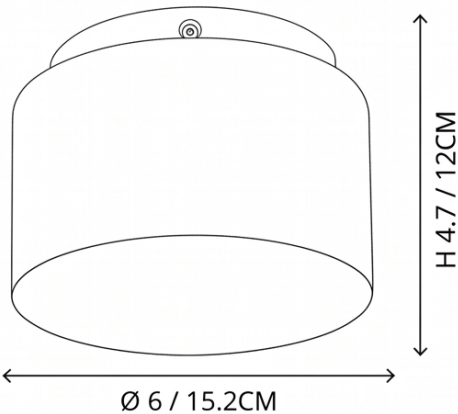

Round Rivage Alabaster Ceiling Lamp

Description

This flush mount ceiling light keeps a simple cylindrical shape, a solid alabaster drum fixed directly to a round metal ceiling canopy with a single visible fixing screw at its center. Light glows evenly through the alabaster's natural veining, giving the drum a soft warm-lit surface rather than a hard visible bulb. Compact and architectural, it is perfect for corridors, closets, powder rooms, or low-ceiling spaces.

Drawing

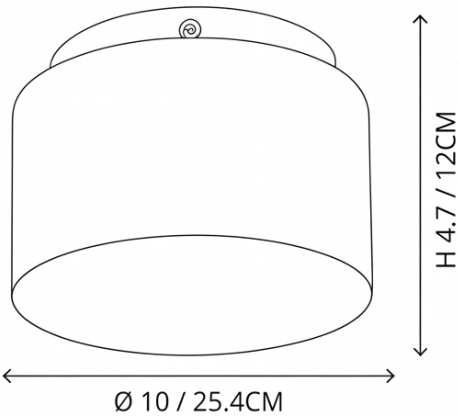

Type	Ceiling Lamp, Flush Mount Hallway / Closet / Powder Room
Environment	Indoor Mounting
Dimensions [cm/in]	Small: Dia: 15.2cm/Ø6", Height: 12cm/4.7" Medium (Dia25.4cm) and Large (Dia35.6cm) sizes available at same height.
